Office of the Food Controller and
Director of Civil Supplies in Mysore.

Bangalore, Dated 18th July 1919

DIARY NO. 1310

From

K. MATTHAN, Esq., B. A.,

Food Controller and Director of Civil Supplies in Mysore.

To

C. S. Balasundaram Iyer, Esq., B.A.,

Chief Secretary to the Govt. of Mysore.

Sir,

I have the honour to submit herewith an extract from the General Diary of Police Inspector Mr. T. Seshachar in charge of the Frontier Police establishment of the Tumkur District for 29th April 1919 together with the explanation of the Amildar of Maddagiri for having issued export permits for paddy grown in the Mysore State. The Deputy Commissioner has forwarded the Amildar's explanation with his letter No.5476 of the 9th July 1919, a copy of which is herewith submitted. The Amildar's action is clearly unauthorised as under the existing orders of Government such exports can be allowed only by the Deputy Commissioners or by officers authorised by them as against the import of an equal quantity of food grains.

I have the honour to be,
Sir,
Your most obedient servant,

Food Controller and Director.

KM/MPH.

Letter No.3476 dated the 9th July 1919 from the Deputy Commissioner, Tumkur District, Tumkur, to the Food Controller & Director of Civil Supplies in Mysore.

Adverting to your memo No. Mis.10747 dated the 4th June 1919, forwarding an extract from the diary of the Frontier Police Inspector for enquiry whether the Amildar of Maddagiri taluk issued permits to residents of British territory to transport paddy from Mallanaikanahally of Mysore limits, I have the honour to state that the Amildar explains in his report No.99 dated 2nd July 1919 herein enclosed that he permitted the transport of grain grown in their own holdings as the persons were the ryots owning lands in the State, but residing in the British territory close by. He further reports that licenses were issued only after satisfying himself that the foodstuff was removed only for domestic consumption and not for purposes of profiteering in view of the applicants being ryots owing lands here and that he would refrain from issuing of such permits if objectionable hereafter. I have, however, issued orders to the Amildar through the Sub Division Officer, Maddagiri, to report hereafter to the Sub Division Officer in such cases and obtain his permission to issue permits.

IV. In my inspection of these villages I learn that about 5 licenses were issued to 5 persons who are residents of Portish limits by the Maddaiyi Amildar to take about 40 pallas of rice (I mean paddy) from Mallanagathumathy of our limits, where these persons said to possess lands. So far as I have known the Amildar is not empowered to issue such licenses for taking away out side the State. The notification says that the Deputy Commissioner and Food Controller Can grant such licenses. Beg to be instructed if there are any standing Orders on the subject
